Washington, DC 20515

Letter of Appreciation

On behalf of the women and men of the Warren Township Police Department and the residents of Warren Township, please accept this **Letter of Appreciation**, along with a Warren Township Police Department Challenge Coin, in recognition of your tenacious efforts in Washington, D.C. to help secure \$900,000 in grant funding to improve our public safety communications hardware and infrastructure.

Reliable communications are quite literally the lifeline of any public safety agency. Your leadership and support on this project ensures that our residents continue to receive timely, coordinated, and effective emergency services.

The Challenge Coin presented to you holds special meaning to Warren PD members. One side bears the Warren Township Police Department patch, symbolizing our mission, and our commitment to the community we proudly serve. The other side depicts Saint Michael the Archangel, the Patron Saint of Law Enforcement, who is traditionally viewed as a protector and guardian watching over those who protect and serve.

In much the same way Saint Michael symbolizes protection and vigilance, reliable and modern communications serve as a critical safeguard for our officers in the field. They ensure we can quickly request assistance, share vital intelligence, and remain connected during what are often dangerous, complex, and unpredictable situations.

We are sincerely grateful for your continued support of public safety and for your partnership with the Warren Township Police Department and the residents of Warren Township.

Respectfully,

Chief Robert W. Ferreiro
