1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Washington Township, New Jersey Police Department Building Renovation Project in fiscal year 2026. The entity to receive funding for this project is Township of Washington, New Jersey, located at 43 Schooley's Mountain Road, Long Valley, New Jersey 07853. The project would be used for replacing, repairing, and renovating certain features of the Washington Township Police Department Building, such as, roof replacement, HVAC air handler and condenser replacement, and parking lot replacement. The project is an appropriate use of taxpayer funds because this is an essential building for housing the public safety of the township and the building is in dire need of replacement for public safety, including education, licensing, and OEM services.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom H. Kean Jr.", with a stylized flourish at the end.
