Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the School Resource Officer Vehicle and Equipment for the Greenwich Township, New Jersey Police Department project in fiscal year 2025. The entity to receive funding for this project is the Township of Greenwich, New Jersey, located at 321 Greenwich Street, Stewartsville, New Jersey 08886. The funding would be used for the purchase of a single police vehicle to be utilized by the Township's school resource officer. The project is an appropriate use of taxpayer funds because having a dedicated vehicle for the school resource officer presents a variety of benefits like ensuring a safe, secure, and supportive environment for students, staff, and residents.

The project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "T. H. K. Jr.", with a stylized flourish at the end.
