Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Township of Warren, New Jersey Public Safety Communications Equipment Upgrade in fiscal year 2025. The Entity to receive funding for this project is the Township of Warren, New Jersey, located at 46 Mountain Boulevard, Warren, New Jersey 07059. The funding would be used for communication technology upgrades for emergency operations of the police department to allow the agency to meet the growing needs of the community. The project is an appropriate use of taxpayer funds because the communication equipment upgrade is a valuable lifeline to all emergency services for the township and positively benefits the residents, businesses and corporate employees.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "T. H. K. Jr.", with a long horizontal line extending from the end of the signature.
