Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Warren Community College Agricultural Education and Training Center project in fiscal year 2025. The entity to receive funding for this project is Warren Community College, located at 475 NJ-57, Washington, New Jersey 07882. The funding would be used for improvements to the existing Agricultural Education and Training Center existing facilities to serve as a location for training students on vocational agriculture and culinary studies. The project is an appropriate use of taxpayer funds because this school serves a rural population and various small farms across New Jersey.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Thomas H. Kean, Jr.
Member of Congress
